SLAUGHTER IN TRAFFIC AS MOUNTING

Traffic 154
Fires 30
Miscellaneous 46
Total 230

By The Associated Press

Hazardous weather conditions were blamed today for a sharp rise in the nation's New Year holiday traffic death toll.

The death toll rate was running ahead of the record total of 409 set in the four-day New Year holiday of 1956-57. It also was at a faster clip than the National Safety Council's pre-holiday estimate of 390 deaths or the 102-hour period.

Traffic deaths last year, estimated at 37,000 by the council, averaged about 101 a day. But the slaughter on the highways since the start of the New Year holiday count at 6 p. m. local time Wednesday topped the daily traffic toll in 1958. The count continues until midnight Sunday.

"The weather is bad and the toll is bad," the council said. "The toll is proceeding at an alarming rate. We appeal to every driver to realize that he must hold his speed down and be doubly careful."

Snow, sleet and rain in many sections of the country added to the normal heavy holiday travel Thursday and deaths took a sharp upturn after a comparatively safe start. Treacherous driving conditions were reported in many areas, especially in the Midwest and East. Local blizzard conditions added to the traffic hazards in the high plains and upper Mississippi Valley.

A council spokesman said if the rate of deaths reported Thursday continued, traffic fatalities for the holiday period will exceed 400.

In the one-day New Year's celebration last year, 160 persons lost their lives in traffic accidents. That was the highest total on record for a one-day holiday.

Two Couples Are Found Dead in Corning Home

CORNING, N. Y. (AP)—Four persons, including a couple who were the parents of five children, were found dead in bed in a duplex house in downtown Corning today.

Authorities said they had apparently been asphyxiated by fumes from a space heater.

Two of the victims were identified as Gordon Montgomery and his wife, Alice, who occupied half of the house.

The Montgomery's children were staying with friends or relatives in nearby Painted Post over the New Year's holiday, investigators said.

Austrian Town With Stinking Name Happy

STINKENBRUNN, Austria (AP)—This is the last time the name Stinkenbrunn, which means stinking well, correctly appears in a newspaper dateline.

It's now just Brunn. Stinkenbrunn dates back to the 13th century. A local well's water had a bad odor and a sour taste from nearby lignite deposits. Now the coal is gone and the water's pure.

IKE MESSAGE OFFERS REDS SOME ADVICE

By E. CREAGH

GETTYSBURG, Pa. (AP)—President Eisenhower has told Russian leaders their professed desire for peace should be applied to their handling of the Berlin crisis.

He made a pointed reply in his message of New Year's greetings with Soviet Premier Nikita Khrushchev and President Klementi E. Voroshilov.

Their message, delivered to Eisenhower's farm home near here, expressed hope that 1959 would see an end to "fears of the dangers of a new world war."

Eisenhower—watching a football game on television when the message came in—fired back a cablegram saying he shared the Russians' hopes. He agreed that "genuine efforts" might well be fruitful.

He went on to say: "As of this moment it seems to us critically important to apply the sentiments expressed in your message to the Berlin situation. In this connection, I cannot fail to recall your government's declaration toward the people of Berlin."

Bride Is Victim of Crash on Turnpike

McCONNELLSBURG, Pa. (AP)—A bride was killed Thursday and her college instructor husband seriously injured when their sports car skidded and smashed into a truck.

Mrs. Lou Anne Johnson, 30, was killed almost instantly when she lost control of the car on icy pavement on the Pennsylvania Turnpike, crossed the dividing strip and collided with the truck.

Her husband, Welborne Johnson, 32, a graduate student and part-time instructor at the University of Wisconsin, was listed in fair condition at a hospital here.

The couple was married Christmas Eve and was returning to Madison, Wis., from an overseas honeymoon. The accident occurred about seven miles west of the Blue Mountain Tunnel after freezing rain and sleet had left the super-highway slick.

Deposed President Declares Castro Had Too Many Guns

CIUDAD TRUJILLO, Dominican Republic (AP)—Fulgencio Batista figures his army fought a lost cause in Cuba partly because it had an insufficient edge in manpower over Fidel Castro's rebels.

The dictator who fled into exile here Thursday told newsmen it has been calculated that an army would need 100 men for each guerrilla it fought.

"That was the case of Tito in Yugoslavia and the Chinese Communists," Batista said, referring to Tito's World War II campaign against the Germans and Mao Tse-tung's drive against Chiang Kai-shek's Nationalists.

Batista's 37,000-strong armed forces were estimated to outnumber Castro's men perhaps 6-1 even in the last stages of the bloody warfare that finally caused Batista to flee.

(Editors: Here is how Gov. Leader sums up in his own words the past record of his administration in Harrisburg, particularly the past year).

By GOV. GEORGE M. LEADER

HARRISBURG (AP)—In the matter of a few weeks, the reins of state government here in Pennsylvania will be handed over to Gov.-elect David L. Lawrence.

It will be the first time since the Civil War that a Democratic chief executive will vacate the governor's chair to someone of the same political faith.

There is great personal satisfaction for me, knowing that many of the programs inaugurated during this administration will be continued, expanded and improved during the new administration.

These past four years have been based on the principle that government must concern itself with the problems and needs of human beings.

This administration, I believe, has done just that. We made significant advances, though we often had to struggle long and hard to achieve our goals.

I will mention only some of these advances:

An effective program was established to bring new industry into Pennsylvania and to foster expansion of industry already here. This program has been described by nonpartisan specialists—including the Committee for Economic Development and the U. S. Department of Commerce—as a model for other states.

A nonpartisan commission, made up of top leaders of business, labor, government and the professions, was appointed by this administration to study Pennsylvania's tax resources and needs. The commission's recommendations resulted in legislation creating a climate more favorable to business and industry.

Pennsylvania moved decisively to help combat the national recession. Hundreds of already authorized public works schools, highways, bridges, etc., were moved well ahead of schedule to create needed jobs when it was most important. This was done.

Argument Still Wages on Senate Filibuster Rule

By JOHN H. AVERILL

WASHINGTON (AP)—Foes of the Senate's filibuster rule contend that those who want it retained would bind the Senate to a system "enacted by men long since dead or retired."

A bipartisan Senate group expressed this idea Thursday in a brief designed to lay the legal groundwork for their fight to curb filibusters when Congress convenes next Wednesday.

The group said: "The suggestion that rules enacted by men long since dead or retired from public life should prevent the majority of the Senate of the 86th Congress from adopting its own rules is contrary to the very spirit of democracy."

This was a reference to arguments by opponents of a rule change that since only one-third of the Senate membership is elected every two years the Senate is a continuing body with the rules carrying over from one Congress to the next.

Doctor Born on New Year's Delivers Baby

NEWARK, N. J. (AP)—Gerald Smith came into this world just after the stroke of midnight as the new year began Thursday.

The doctor who attended him, Dr. Gerald Rood, was also born on a Jan. 1 at the same hospital, Beth-Israel.

The infant's delighted mother, Mrs. Ozzie Smith, named him after the doctor.

Car Thief Says Navy Made It Easy for Him

SAN FRANCISCO (AP)—The year started badly for the local branch of the U. S. Navy Department of Counter-Intelligence.

It was notified on New Year's Day that one of its sedans had been stolen by a 14-year-old boy.

"The Navy made it easy for me. They left the key in the ignition," he told authorities.

Report Eighteen Dead in Penn's Holiday Accidents

By THE ASSOCIATED PRESS

At least 18 persons have been killed accidentally in Pennsylvania during the long New Year's weekend.

The Associated Press tabulation disclosed 12 dead in highway accidents, one in a fire and five in other mishaps.

A bride of a week... two Montgomery County women and a man returning after a New Year's Eve celebration... an elderly Armstrong County home resident walking along a road. They were among the highway victims.

Safety officials kept their fingers crossed that the toll would remain far behind last weekend's 42 deaths in the state.

Freezing rain, snow and fog made driving conditions hazardous in some parts of the state Thursday.

A rise in temperatures today melted the snow and ice, easing driving conditions.

The two Montgomery County women were killed in a two-car collision while en route home from Norristown early Thursday. They have been the only multiple fatalities thus far. There were several last weekend.

Miss Magdalena Carey has been the only fire victim over New Year's. Over the 102-hour Christmas holiday period, 12 persons—including seven small children—perished in fires.

One of the traffic fatalities occurred near McConnellsburg on the Pennsylvania Turnpike. The superhighway was free of fatalities over the Christmas weekend.

Gambler's Tongue Cut Off by Angry Woman

SAN DIEGO, Calif. (AP)—A gambler with a severed tongue has no connection with the slaying of Tony Mirabile, says police.

When Robert Womach, 25, was brought to a hospital Thursday with 1 1/2 inches of his tongue cut off, police thought there might be a tie-in between the injury to the Las Vegas, Nev., card dealer and the shooting of Mirabile, wealthy tavern owner with suspected underworld connections.

But Womach told them his tongue was cut off by a woman in Tijuana who robbed him of \$60. He refused to give further details.

British Commuter Stages Revolt in Suburban Subway

LONDON (AP)—British commuters, normally a docile, uncomplaining lot, staged their first revolt Thursday night and won.

Indicator boards said the subway train was bound for suburban Dagenham East. Halfway there passengers were ordered to change trains. It had happened many times before.

Some passengers moved out obediently. Then one bowler-hatted commuter gripped his umbrella defiantly.

"No," he cried. "It says on the front of the train Dagenham East and that's where we're going."

There was a little cheer and the revolt spread rapidly. Those who had got out in again. Subway officials pleaded. The commuters sat tight.

Finally the conductor capitulated. The train moved off toward Dagenham East.

Said an official of the government-owned subway system: "Quite frankly we were flabbergasted."

"After all, you don't really expect passengers not to do what they're told."

Eastern Readies Some Planes for Limited Service

By THE ASSOCIATED PRESS

Eastern Air Lines readied some of its planes today for limited north-south service in the wake of a 38-day strike by flight engineers.

American Airlines remained shut down for the 14th day by a pilots' walk-out.

The first inbound Eastern plane at Idlewild Airport—from Miami—was due to arrive shortly before 1 p. m. The first outbound flight to Miami was set for 2:30 p. m.

About 80 flights were scheduled for today with hopes that full service would be restored by next week.

Some 16,000 Eastern employees prepared to go back to their jobs as the line signed a New Year's Eve peace pact with its engineers, and came to an understanding Thursday night with the Air Line Pilots Assn.

Eastern engineers and mechanics walked out Nov. 24, grounding the line's 188 planes. Agreement was reached later with the mechanics, but they respected picket lines maintained by the engineers.

The engineers refused to accede to a company request to take jet pilot training. In place of requiring pilot training for the engineers, Eastern announced it will have three pilots on each of its jets. These will be in addition to the engineer.

HAVANA REPORTED CALM AFTER ORGY OF LOOTING; ALL AMERICANS ARE SAFE

BULLETIN

HAVANA (AP)—Advance spearheads of Fidel Castro's revolutionary forces entered Havana today. Truckloads of bearded guerrilla fighters rolled into the city over the main central highway from the eastern provinces of Matanzas and Las Villas and sped along the Malencon Sea Boulevard toward the former military headquarters of deposed President Batista at Camp Columbia. As the Castro forces advanced, Cuba's 6,300,000 war-weary people had two provisional presidents. Neither occupied the chair vacated by dictator Fulgencio Batista, who fled in the darkness of the new year morning Thursday. The streets of Havana were tense and alive with expectation. The triumphant Castro partisans who had seemed to emerge armed from nowhere Thursday to take over control of the capital, kept a tight lid on the situation to prevent pent-up public emotion from creating a chaotic situation.

By THE ASSOCIATED PRESS

HAVANA—Fidel Castro rebels control Cuba as President Batista flees into exile. Castro-called general strike appears 100 per cent effective. Havana calms down after orgy of looting and revenge. All Americans apparently safe. Castro names new army chief who begins negotiations for cease-fire but fighting apparently is stopped.

SANTIAGO DE CUBA—Thousands cheer Castro leaders at park rally far into night. Rebel leader expected to proclaim ex-Judge Manuel Urrutia as provisional president.

CIUDAD TRUJILLO, Dominican Republic—Batista, wife three children and leaders of his regime take refuge in Dominican Republic.

NEW YORK—Leading Batista supporters come by plane to New York, New Orleans, Jacksonville, Key West, Daytona Beach and West Palm Beach. Some flee by boat. Batista's other five children among refugees.

WASHINGTON—State Department in close touch with Havana embassy but says has no plans to remove U. S. citizens. President Eisenhower kept advised of events at Gettysburg farm. Castro representatives expect United States to recognize his government.

LONDON—Moscow radio reports Batista's flight, says he was a U. S. protege.

By LARRY ALLEN

HAVANA (AP)—With all Cuba virtually in his hands, rebel leader Fidel Castro today triumphantly proclaimed his native Santiago as the nation's provisional capital and named Manuel Urrutia as provisional president.

While Castro's success in his 25-month-old rebellion seemed close to complete, he still must bring his oft-proclaimed choice to Havana and install him in the presidential palace from which dictator Fulgencio Batista fled Thursday.

To install Urrutia in the capital, Castro ordered a mass public demonstration in Havana's Central Park at 4 p. m. today.

The country will remain in a state of paralysis from a general strike ordered by Castro until Urrutia takes over in Havana.

Castro spoke just before dawn to a huge crowd in Santiago, the capital of easternmost Oriente province, after a parade of orators had hailed his leadership and his selection of Urrutia.

Castro said the road to Santiago, occupied Thursday after the defending garrison surrendered, had (Turn to Page Seven)

Washington Is Keeping Close Watch on Crisis

WASHINGTON (AP)—The U. S. government kept watch today on the safety of its citizens in Cuba and waited cautiously for the formation of a new government there.

Both the White House and the State Department discounted the possibility of major danger to U. S. citizens despite some rioting and uncertainty which followed collapse of the regime of Cuba's President Fulgencio Batista.

They declined any immediate comment on possible steps toward recognition of a new government, now in process of formation under the direction of rebel leader Fidel Castro.

President Eisenhower, vacationing at his Gettysburg, Pa., farm, was kept advised of the situation by telephone, press secretary James C. Hagerty reported.

The Cuban Embassy in Washington, meantime, was taken over in friendly fashion by Castro supporters.

Speaker Rayburn Moves To Stamp Out Budding Revolt

By WILLIAM F. ARBOGAST

WASHINGTON (AP)—A series of huddles centering around House Speaker Sam Rayburn (D-Tex.) was expected today to stamp out a budding revolt against the power of the House Rules Committee.

The revolt is led by a sizable group of self-styled liberals. The Rules Committee now is dominated by a coalition of Republicans and Southern Democrats.

The liberals seek to limit the committee's power to bottle up legislation. They would do this either by a change in House rules or by the addition of a liberal Democrat to the committee, now composed of eight Democrats and four Republicans.

Rayburn returned late Thursday from his Texas ranch, where he has been vacationing since Congress adjourned last summer.

He wouldn't comment on the rules proposals, but there were clear signs he would oppose them. He apparently was quietly sizing up the situation and lining up his forces for a showdown at the Democratic caucus next Tuesday morning.

Leaders of the liberal group reported privately that Rayburn already has wooed away much of the support they had counted on. Telephone calls even before Rayburn left Texas, they said, convinced them that the speaker was dead set against changing the rules.

Republican Leader Joseph W. Martin Jr. (Mass.) has told newsmen he has an agreement with Rayburn which would leave the Rules Committee lineup unchanged. There are two Republican vacancies, and they are slated to go to Reps. Edgar Snodgrass (R-Colo.) and Carroll Reece (R-Tenn.) if they want them.

If the liberals lose in Tuesday's Democratic caucus, they probably will try again Wednesday when the House convenes formally and adopts rules for the new session.

Thief Takes \$200 From Warren Concrete Prod.

Police today are continuing their investigation into a missing \$200 from the cash box at Warren Concrete Products. Authorities were called at 8:45 a. m. Tuesday when officer Mary Rosenquist discovered the theft. All employees knew the money was kept in a cash box at the rear of a filing cabinet. The theft apparently occurred sometime between when the office was locked up at 5 p. m. Monday and Tuesday morning. It is believed entry was gained through a lavatory window. Police Chief Mike Evan said only the cash box was disturbed and that had an intruder looked elsewhere, other money could have been seen lying in drawers.

Takes Position on State YMCA Staff

Charles G. Howard, above, executive secretary of the North Branch of the Philadelphia YMCA, will join the headquarters staff of the Pennsylvania State YMCA, February 17, 1959, according to an announcement made by H. Clay Burkholder, president, and W. Haines Kent, executive, of the State Young Men's Christian Association. He will serve as program executive related to YMCA Industrial, Membership, and Physical Education Services throughout the State. His office will be at 907 N. Front street, Harrisburg.

Mr. Howard is a native Pennsylvanian. He was graduated from West Chester State Teachers' College in 1935, with a Bachelor of Science Degree in Health, Physical Education and Recreation. He entered YMCA work in 1937, occupying Physical Education positions at Harrisburg Central, and Philadelphia Central YMCAs before assuming his present position in 1952.

He has served as President of the YMCA Physical Directors' Society of Pennsylvania and Secretary - Treasurer of the Pennsylvania Association of YMCA Secretaries. He has also served as President of the Methodist Men of Lehman Methodist church, in Hatboro, Pennsylvania, and President of the School Board of Warminster Township.

4-H Holiday Party Enjoyable Affair Despite Weather

Over fifty 4-H'ers from all corners of the county braved icy roads to attend the annual 4-H Holiday Party held last evening at the White Way Drive-In Theatre according to word received from Agricultural Extension Office.

The evening chucked-full of entertainment, included a record dance, crowning of a 4-H King and Queen, the 4-H Orchestra, and gift exchanging.

Jeffrey Siggins, Warren, served as a very capable master of ceremonies, and disc jockey. Charles Lindell, Akeley, and Jean Allen, Sugar Grove, were crowned King and Queen of the gala affair.

The party served as round-up for the Countywide "When You Step Out" Club, and all members completing wrote essays on the year's activities in 4-H.

John Lyon, Russell, Jean Allen, Sugar Grove, Ivan Johnson, Wrightsville, and Nancy Curtis, Columbus, presented their essays to the group.

The County 4-H Orchestra gave their usual outstanding performance and played a number of carols for group singing.

The entire evening was planned and conducted by members from the Warren County 4-H Council. The committee included Jean Allen and Mary Sweeney, Sugar Grove; Myrtle Bahrstow, Barbara Voegel, Georgia Skinner and Donald Marsh, Russell; Ivan Johnson and Robert Whiteley, Wrightsville; Linda Nieman and Pat Hunter, Tidouate, and Jeffrey Siggins, Warren.

Refreshments were served at the snack bar by Mr. and Mrs. White.

Additional Information on Social Security Amendment

The Social Security Amendments of 1955 will provide increased monthly payments to about 18,000 people in Chautauque County, N. Y. and Warren County, Pa., beginning with the checks which are due early in February 1959, according to Howard H. Gift, Social Security Manager in Jamestown, N. Y. The amount of the increase will be about 7 per cent, although the increase in some checks will be slightly more than 7 per cent and it will be slightly less than 7 per cent in some others. People who are already getting Social Security payments do not need to apply for the increase. It will be automatically added to the checks for January, which will be mailed out early in February.

Under other changes made by the new law, social security benefits will become payable to a number of people not previously eligible for payments. They must, however, apply to their social security offices before payments can start. Among the groups now eligible because of the amendments are:

Dependents of people who are 50 or over who are now getting disability insurance benefits (children under 18 or disabled; a wife of any age who has a child in her care who is entitled to benefits; a wife 62 or over; or a dependent husband 65 or over).

Disabled people 50 or over who could not qualify for benefits under the old law because they did not have as much as 1½ years of work in the three years before they were disabled. (A total of at least 5 years of work under the law is still required).

Dependent parents whose son or daughter died after 1939 and who could not qualify for benefits under the old law because the son or daughter left a widow, widower, or child.

Adopted children whose adopting parent began receiving retirement benefits less than 3 years after the adoption. (In many cases this provision will also make possible payments to the mother of the adopted child).

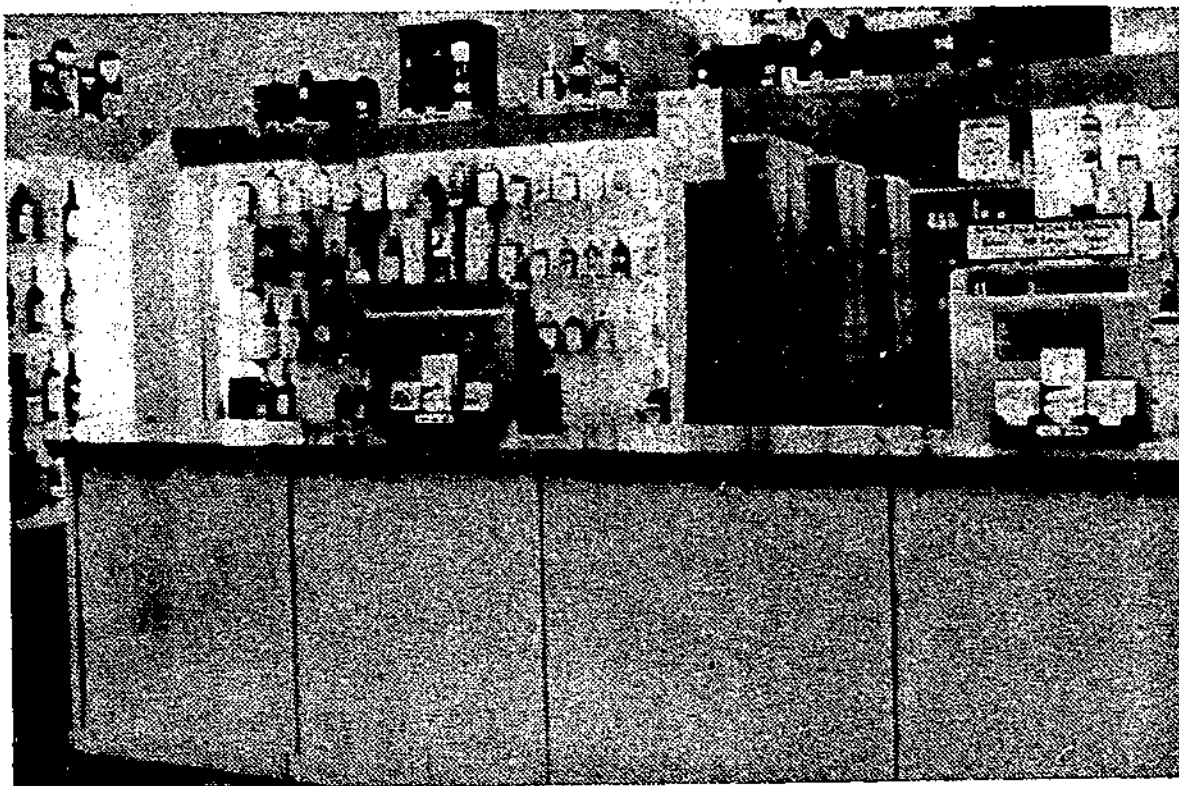

A person receiving benefits who marries another person also receiving benefits can become eligible as a dependent of the new husband or wife without waiting 3 years.

Some people in situations similar to those mentioned above may have applied for benefits in the past and been notified that they did not qualify for payments. These people should get in touch with their social security district offices promptly about filing new applications. Mr. Gift noted.

Disabled workers whose social security disability benefits were reduced or were not payable because they received workmen's compensation or other Federal disability payments will begin to receive the full amount of their social security disability payments. (These people do NOT have to file applications. Their social security checks will be started automatically with checks mailed out early in September).

Under the amendments it is easier for certain employees of non-profit organizations and State and local governments to be brought under the law. There is a slight change in

State Liquor Store 25 Years Old Today

Upper picture by Times-Mirror Photographer Saylor gives only a slight idea of the beautiful new State Liquor Store in Warren, as compared to the establishment (right) when it was opened January 2, 1934, as one of 69 original stores under the supervision of the Liquor Control Board 25 years ago today.

the rule on how much a social security beneficiary may earn and still get social security benefit payments. Under a new provision a person's social security benefit will not be withheld, for any month in which he neither worked in his own business nor earned over \$100 in wages.

Beginning January 1, 1959, the social security tax rate for employees and employers will be 2½ per cent each. The rate for self-employed people will be 3 per cent. These rates are scheduled to increase every 3 years until they reach 4½ per cent for employees and employers and 6½ per cent for self-employed people in 1969.

Starting with 1959 the first \$4800 of earnings in a year will be taxed for Social Security and will count toward social security benefits.

The Jamestown, N. Y., social security district office is at 312 Hotel Jamestown Bldg., Jamestown, N. Y. It is open from Monday through Friday, from 9:00 a. m. to 4:30 p. m.

Mr. Gift emphasized that it is not necessary for people already receiving monthly payments to apply for the automatic increase. It will be added to the January checks, which will be delivered early in February.

"Inquiries about the automatic increase will slow down our effort to start payments promptly to the people who can now get payments for the first time," he said.

Today marks the 25th anniversary of the State Liquor Store in Warren, one of the 69 original stores opened by the Pennsylvania Liquor Control Board on January 2, 1934. The system now incorporates approximately 640 stores and is the largest operation of its kind in the world.

After prohibition days, with their hi-jacking and rum-running and racketeers making millions with which to finance vice traffic, the PLCB was created, rather than an open license system, by the legislature at the insistence of the late Governor Gifford Pinchot, himself an ardent dry.

The Board apparently felt that the dry era lawlessness would extend itself to the system operation on the part of the public, for when the stores first opened there were bars on all windows and doors, iron railings in front of the counters and heavy wire screens on the counter between the patrons and the merchandise. The total effect was quite jail-like.

By comparison today, the old wooden counters and bins, the heavy wire screens and railings have vanished, and patrons can now see and handle the merchandise from open display units in the store lobby. The above pictures illustrate the change better than words.

First civil service employees in Warren county included the

following: Charles H. Sontag, manager; C. Miller Logan, assistant manager; K. J. Knoll, E. W. Garrison, Jr., L. Edward Johnson, all of Warren, and Robert C. Dunn, of Sheffield, clerks. Of these original men, only Sontag and Johnson remain with the system.

These men started work on December 31, 1933 after Manager Sontag had undergone a short orientation course in Harrisburg, and worked most of the night preparing for the opening day's business. The first few weeks were ones of considerable confusion, having to make change from cigar boxes, and there was no particular system of operation because the entire set-up was new and no one knew too much about it. Federal and state tax stamps had to be glued to every bottle by clerks who worked 12 to 15 hours a day, sometimes receiving shipments of merchandise at two and three a. m. Gradually, orderliness overcame the confusion and the operation smoothed out.

Stores were opened in Youngsville and Sheffield shortly before Christmas, 1935, with Garrison and Dunn as managers, with Johnson slated for Tidoute, which never opened. In May, 1936, Dunn resigned and Johnson took over as Manager of Sheffield. Sontag was promoted to supervisor in this area in Sept. 1936, in charge of all

stores in Warren, McKean, Potter, Elk, Clearfield and Jefferson counties. K. J. Knoll then assumed charge of the local store. In May, 1940 Johnson became manager of the local store upon the death of Manager Knoll, shortly after this Garrison resigned and Schuler took over as Manager of Youngsville.

The staff in the local store now consists of Manager Johnson; Assistant Manager L. N. Schuler, 23 years service; Clerks Harold Wilson, Lloyd Maze, Cleon Sanford and Kathryn Gibson.

The Youngsville store, for many years a "one-man" store, now operates on full time and is in charge of Stanley L. Lawson, whose service dates from November, 1936. Schuler was manager of the Youngsville store for almost 20 years before Lawson took over in September, 1956. Assistant Manager in Youngsville is Charles H. Warriner, probably the eldest store employee in Pennsylvania.

At Sheffield, also for many years a "one-man" store and now on full time, James L. Chapman is manager. He entered the service a few months after Lawson. His assistant is A. J. "Moon" Scallies, who holds more than 15 years of service. All of these men formerly worked in the Warren store as clerks and were promoted as vacancies occurred.

In 1934, the Federal tax on a fifth of distilled spirits was \$1.10. Today it is \$10.50. Taxes on wines have advanced at about the same rate. Retail prices, although up sharply, have not advanced at the same pace.

Profits from the system are turned over to the Commonwealth's general fund and local tavern license fees are returned

to the municipalities in which the taverns are located. During the depression years of the 1930's, the legislature placed a 10% sales tax on all store merchandise, earmarked for relief purposes. This tax has never been removed.

The system now returns many millions of dollars annually toward the cost of state government. It has brought law and order out of the chaos of prohibition and control of the sale of intoxicants to minors. Even stricter controls of minor sales have been sought by store employees who, through their Independent Association of PLCB Employees, have asked the legislature to set up an inexpensive registration system whereby for a nominal fee a person who has reached legal age may obtain an identification card carrying his or her picture, description and signature.

Boy Is Badly Hurt In Sledding Mishap

First serious sledding mishap of the current winter occurred at 3:55 p. m. Wednesday when James E. Johnson, Jr., 5, of 100 Orchard street tumbled into the side of a truck on Orchard street.

Police said the lad was riding his sled down the south sidewalk of Pioneer street. Chevrolet vanette truck driver Gerald C. Coughlin of 351 Honhart Drive, Pleasant Township, told officers he had stepped for the barricade as he headed north on Orchard street.

Seeing no pedestrians or sliders, Coughlin said he pulled into the intersection. At that moment the boy slid into the right side of the truck near the rear.

Young Johnson was taken to Warren General Hospital suffering fractures of the right upper arm and pelvis, plus face lacerations and possible concussion. His condition was reported "fair".

Truck is owned by Warren Service, Inc. of 207 East Fifth avenue.

A 19 year old Youngsville youth was charged with traveling too fast for conditions when his Oldsmobile convertible failed to make the turn on Park street about 1:11 a. m. New Year's Day.

Arthur James Phillips of 123 Marsh avenue, Youngsville, was heading out Park street when his machine skidded across the road, rammed through a hedge and banged into a tree.

Damage to the car was estimated at \$200. A passenger, Joseph Duffy, 20, of 303 Pennsylvania avenue east, sustained a bumped forehead and cuts.

FRIDAY, JANUARY 2, 1959

NEW YEAR'S AROUND THE WORLD

A survey of The Associated Press wire Thursday indicates most of the world forgot its troubles momentarily to give a hearty welcome to 1959, as midnight rolled around the earth Wednesday.

Some scaled mountains, lit bonfires, honked auto horns, tossed crockery from the windows of their homes and tried to shinny up greased lamp-posts—all expressing in their exuberance hopes for a healthy and happy new year and a year of peace.

Revelry was noticeable absent in revolution-torn Cuba. Not one rebel-controlled radio station was heard to offer a New Year's greeting.

Places of worship were not forgotten around the world as people welcomed 1959 with prayer.

Both sides of the Iron Curtain joined in the merriment. It was party time in Moscow, Russia, as well as in Moscow, Kan.

In a New Year's message, Soviet Premier Nikita Khrushchev said, "It is my conviction that the prospects for preserving peace in 1959 are good."

President Eisenhower observed the evening quietly with relatives and friends at his Gettysburg, Pa., farm.

In Japan, old and young, rich and poor, led by the imperial family, welcomed 1959—the year of the wild board—with traditional worship at Shinto shrines and Buddhist temples throughout the nation.

An unexpected snowfall threw a mantle of white over Tokyo.

Parisians greeted the new year by leaning on their auto horns as they drove down the brightly lit Champs Elysses. They exercised an annual privilege—horn blowing is illegal any other time.

Booming chimers of Big Ben welcomed in 1959 in London and sent thousands of revelers into wild Auld Lang Syne celebrations around the boarded up statue of Eros in downtown Piccadilly Circus.

Greased lamp standards defied determined efforts to scale them. Rings of policemen around Eros stood firm against repeated attempts to brush the bobbies aside.

In Rome, Italians set off fireworks—which is illegal—and threw pots, pans and dishes out their windows—a custom even older and equally illicit.

In Warsaw, rock 'n' roll vied with cha-cha as Poles celebrated. In Brazil, office workers dumped shredded waste paper into jammed streets.

In Cherryville, N. C., musket fire crackled as a custom reached its 150th year. Bangor, Maine, celebrated with a huge bonfire of discarded Christmas trees.

In Colorado Springs, Colo., fireworks were shot off the top of Pike's Peak by the AdMan Club, which adds one new member each year.

In New York City's Times Square, an estimated 300,000 persons cheered the new year with a blare of horns and a squeal of noise makers.

Now All We Need Is Something To Cheer About

Here and There

Don't throw that Christmas tree away! When the job of cleaning up fallen needles gets to be too much for you, enjoy the tree just as much by moving it from the living room to the yard—after you fill it with goodies for the birds. Your tree can be a life-saving gathering place for every feathered friend for miles, as well as the showplace of the neighborhood if you deck it out with plan and fancy bird delicacies. You'll have a ringside seat for Mother Nature's flying circus while you keep winter-starved birds alive. What should go on your birds' Christmas tree? A good assortment includes popcorn, peanut butter, beef suet and pieces of apples. Popcorn is especially lends itself to many interesting forms, from a simple string to a clever bird cage, and you'll have great fun making popcorn ornaments as a family project. When you set up your birds' tree, tie it to something steady such as a post, fence or another tree so it won't be knocked over by the wind or neighborhood cats and dogs. Put the food where the birds can reach it from a perch since most of them can't fly and eat at the same time. Don't be disappointed if birds do not flock to your tree right away. They will want to

watch it for a time to see if it's safe. The closer it is to other bushes or trees, the better they will like it. Here are some special popcorn and peanut butter decorations that will delight the palate of any feathered gourmet. You may choose to begin with the fancier ones, when you get in the habit of feeding the birds, they can be as simple as you wish. The important thing is to keep the feeding up all winter, since food is very hard for birds to find in cold weather and they will come to depend upon you until Spring.

A reminder that this is a local election year is contained in an article that appeared on the first page of the Warren Evening Mirror of January 2, 1959, concerning oath taking at the court house that year. It says "At ten o'clock, this forenoon court assembled with President Judge W. M. Lindsey and Associates Weaver and Sandstrom on the bench. A number of motions were heard after which Hon. W. M. Lindsey, as President Judge, occurred. The unexpected term of the late Judge C. H. Noyes was pointed to fill, concluded the day, and he now enters upon the ten year term to which he was

THE System--Irresistible Temptation--Old Days--Smart Work--One Meat Ball

BY JERRY BENNETT

WASHINGTON—(NEA)—Wilbur Dubois, Secretary of the Securities and Exchange Commission, tells this story of higher finance—family level department.

A woman went to her bank and asked to borrow \$3,000 to buy a car. The loan officer looked up her record and found she had \$3,000 in a savings account.

"Why don't you take that money and buy your car?" he asked. "I would save you paying interest."

"I can't do that," said the woman. "My husband doesn't know I have the money."

"What do you mean?" asked the loan officer doubtfully.

"My husband likes to play the horses," she explained. "Every day he looks over the form sheet, picks a horse and gives me two dollars to call the bookie and place the bet."

"I don't call the bookie," the woman went on. "I just keep the two dollars. If one of his horses wins, I pay off at the track figure. But so far I'm \$3,000 ahead."

eyed grownups whom they have caught leaning over the fence in an effort to reach the cookies. In fact, one eager woman almost knocked over the tree when she leaned too far, lost her balance and fell against it.

UNCLE SAM IS tougher on expense accounts than Adolf Hitler. One of the top German scientists working on American rocket programs complains wryly that the Fuehrer was a soft touch compared to U.S. auditors.

"I got unlimited travel expenses," he explains, "and never had to check my vacation time with anyone when I worked on German rockets at Peenemunde."

MEXICAN EMBASSY Minister Don Vicente Sanchez Gavito has the most unusual language problem of any foreign diplomat in town. The charming official, who was recently appointed to replace departing Ambassador Don Manuel Tello upon a new envoy is named, spent most of his childhood in Manhattan.

The result is that he speaks English like a typical New York native. In order to convince people that he's really Mexican, friends say that the diplomat often fakes a Spanish accent.

OTHER NIGHT at a big hotel Christmas reception, the harassed chef almost panicked when he realized that he had allowed a dish of meat balls, which hadn't cooked long enough, to be carried to the buffet table. The mistake, however, turned out to be the highlight of the party.

Guests voted the rare meat balls the best hors d'oeuvre on the table. And some even complained when the next batch was delivered well done.

ATTITUDES ON PREMATURITY

A letter from a New York mother contains the following comments: "I'm fed up with stories about premature babies. Last year I gave birth to a 3½ pound baby, approximately six to eight weeks early. She needed no special attention during the five weeks in the hospital and now is healthy and normal. You have no idea how articles on this subject frighten the mothers of 'prematures.' There is a difference between being frightened and being concerned. The life expectancy of premature children speaks for itself. The smaller they are and the earlier they come into the world, the less likely they are to live."

Only one-half of all babies weighing between 2 pounds 4 ounces and 3 pounds 5 ounces at birth will survive. The mortality is 85 per cent in tots weighing less than 2 pounds 4 ounces.

There is reason for concern even tho the use of incubators and other devices has helped thousands of preemies over the hump. We hope some day all these youngsters will make the grade as smoothly as the child of the mother who wrote this letter. This infant did receive the special attention the mother denies during the five weeks in the hospital.

Another New York mother is more realistic. She writes: "My son was one of the small minority who lived. He was 1 pound 12 ounces at birth and at present is normal in size and intelligence and is progressing according to his age."

A woman from Arlington Heights, Ill., writes that she can speak as an authority on premature births, as she had six in a row—five boys and a girl. She wonders if she holds some kind of a record.

Her claims are questionable because two of the children were delivered at eight months and weighed 5 pounds 14 ounces and 6 pounds 2½ ounces, respectively. Physicians define prematurity in terms of weight

and length rather than merely the duration of pregnancy.

A child weighing more than 5 pounds 8 ounces and measuring more than 18 inches should not be classified as premature. This definition was established because so many mothers and physicians erred in calculating the arrival date.

TOMORROW: Resolve to be health conscious.

LEG WEAKNESS

F. H. writes: Why do old people have weak legs?

REPLY
Because they lack strength and are less active than younger persons. In addition, an elderly person may appear unsteady because of arthritis, dizziness, or failing vision. On the other hand, I know many oldsters who walk and climb stairs with more zip than their juniors.

BLINKER

Mrs. D. writes: My 9 year old girl blinks constantly. Is this a nervous habit?

REPLY
Nervousness is the most common cause of allergy and local infections are other possibilities. In the summer time, exposure to chlorine or other chemicals in a swimming pool may be responsible in children.

OUT OF FOCUS

Mrs. S. writes: What is the effect of an unbalanced eye muscle?

REPLY
The muscles of both eyes must synchronize to produce single vision. Impaired or double vision occurs when one muscle is off balance.

ALLERGY AND THE CHANGE

Mrs. T. writes: Does the change of life aggravate an allergic condition?

REPLY
No. Allergies tend to decrease in severity with age, but emotional aspects may aggravate the condition.

Today's Health Hint—Stop feeling inferior.

Business Mirror

By SAM DAWSON

AP Business News Analyst
NEW YORK (AP)—This is the day we start breaking New Year's resolutions.

Let's look at some that have been made by business and government officials — ones that affect our pocketbooks.

President Eisenhower has resolved to stand firm for a balanced federal budget in the fiscal year coming up. If he can make this resolution stick, there will be no new inflationary pressure from another Treasury deficit — and no need for a general tax increase.

Various congressional leaders have promised to keep the spending urge in bounds so that tax collections will have a chance to keep Uncle Sam out of the red — or at least not too far in it. If this resolution survives the upcoming session of Congress, taxpayers will have at least a breather if not relief.

The Federal Reserve Board has resolved to see that the business recovery will be backed by enough money and credit to keep it rolling along at a sensible pace

but not enough to stimulate speculation and thus threaten a boom and bust.

Various lending institutions are promising there will be enough money for mortgages — unless a new inflation makes building costs too high or a return to a tight money policy makes funds scarce.

A number of corporations have resolved to put out large sums this year on new plants or equipment. If this adds up, as now expected, to a slight increase in business spending over 1958 the business recovery will have attained an important ally.

Some industries are promising to hold the line on prices and many think the price line generally will be held pretty stable. This resolution is threatened from many angles — monetary inflation, or rising labor and distribution costs. And the National Assn. of Credit Management flatly predicts that the government's wholesale price index for all commodities will rise to a record high by midyear.

But before you get too cheered up by all the goodies being promised as the year starts, remember this: The federal government is taking a bigger slice out of your paycheck now. It's withholding more for social security tax payments. If you make \$4,800 or more a year, Uncle Sam will keep \$120 of it this year, compared with \$94.50 in 1958.

You'll have less with which to pay those Christmas bills.

Marlow Looks At

TODAY'S NEWS

By JAMES MARLOW

Associated Press News Analyst
WASHINGTON (AP)—The rash of 1958's year-end strikes overshadowed the fact that the overwhelming majority of labor-management negotiations last year ended peacefully.

But those strikes which immediately and directly affect the public, such as those against airlines and New York newspapers, raise questions.

Can the public be protected against a rebellion? Can such strikes be banned? What will Congress do?

No federal law forbids such strikes. Congress rejected the principle of a strike ban when it fashioned the Taft-Hartley Act in 1947. It's unlikely to change its mind in 1959 as a result of what happened in 1958.

Public inconvenience — last year only small segments of the public were affected — has to be balanced against the freedom of workers to strike and of employers to shut their plants and freedom for both to settle their own

problems.
A change in congressional thinking would appear more probable if the time came when a strike damaged the nation as a whole so badly that it seemed necessary to prevent a repetition in order to avoid disaster.

Even then Congress almost certainly would not forbid strikes generally but aim, instead, at key industries broadly affecting the public. Likely targets: such public utilities as railroads, airlines, telephones, buses, electric power.

But how could there be a fair settlement in those fields if labor, to enforce its demands, could not strike and management, to put pressure on a union, could not shut down its plant?

To try to be fair to both sides, Congress probably would require compulsory arbitration. An outsider would be appointed to listen to both sides and then give a decision binding on both.

Organized labor as a whole, treasuring its freedom to strike for what it demands, is against

Thought for Today

When Jesus heard these things, he marveled at him, and turned him about, and said unto the people that followed him, I say unto you, I have not found so great faith, no, not in Israel.—Luke 7:9.

We are not saved by nations or by churches or by families, but as individuals, through a personal interest in a personal Saviour.—John James.

Manners MAKE FRIENDS

When an acquaintance says "How are you?" he isn't asking for and doesn't want to hear a detailed account of your aches and pains. If you can't honestly say you are fine, at least sum up the situation in a brief sentence or two.

Save detailed accounts of your miseries for your doctor.

MR. AND MRS. WILFORD E. WINNER

Gloria Jean Rydholm, daughter of Mr. and Mrs. Everett C. Rydholm, 17 Sixth street, Youngsville, became the bride of Wilford E. Winner, son of Mr. and Mrs. Wilford A. Winner, 6 Rollins street, Warren, in a candlelight service at 7:30 p. m. November 26 in Saron Lutheran church in Youngsville.

Rev. C. J. Franzen performed the double ring ceremony. Lillian Swanson played traditional wedding music and Earl Ericson sang, "I Love You Truly," "Because," "The Lord's Prayer" and "Bless This House."

The bride, given in marriage by her father, chose white tulle over satin, featuring a basque bodice, scoop neckline, and long sleeves pointed over the hands. Her bouffant tulle skirt had a lace

apron-effect and her waist-length veil fell from a Juliet cap set with sequins and pearls.

Mrs. Sandra Wilson, sister of the bridegroom, and matron of honor, was in emerald green and beige, with matching accessories. She carried tangerine colored sprayed carnations, tipped in bronze.

Sandra Sandberg, of Youngsville, and Lois Ann Rydholm, the bride's sister, were bridesmaids, in similar gowns of gold satin, with feathered hats of mink pink and matching accessories. They carried bouquets of bronze colored sprayed carnations.

The bridegroom's cousin, Karl in Wagner of North Warren, appeared in floor length aqua satin and carried a basket of yellow and pink mums, with matching headpiece. Delbert Rydholm, the bride's cousin, was

ring bearer and carried a white satin pillow edged in lace.

Peta Pepke, of North Warren, was best man; ushering were Richard Newmaker, of Warren, and Manfred Rydholm, the bride's brother.

The bride's mother selected a two-tone gray suit, beige accessories, and corsage of yellow carnations. The bridegroom's mother chose royal blue satin with accessories and a corsage of pink carnations.

A reception for 200 guests followed in the church basement, when a three-tier wedding cake, decorated by the bridegroom's father, was featured. Aides included Mrs. Ivan Rydholm, Carol Peterson, Peggy Olson, of Warren; Ann Schwanke and Mrs. Charles Johnson, Youngsville.

Guests were present from Oil City, Erie, Waterford, Warren and Jamestown, N. Y.

For traveling, the bride chose a red dress, white hat and black accessories with a mouton jacket. The couple is residing at 1154 Prospect street.

A graduate of Youngsville High School, the bride is employed in the office of Sunray Products in North Warren. The bridegroom, graduate of Warren High School, is employed by Sylvania Electric in Warren.

Pre-nuptial affairs were given by Mrs. Myron Rydholm and Mrs. Ivan Rydholm, Sandra Sandberg and Lois Rydholm, Lola Wagner, Mrs. Pauline Wells, Sandra Wilson, Mrs. Paul Wagner, Mrs. Ford Winner. The rehearsal dinner was given by Mr. and Mrs. Ford Winner.

Great After-Five Date Fresh, Pert 'n' Pretty

The telephone rings. It's an invitation to dinner, a small party or the theater that evening. It's last-minute, but then, many invitations are. What's a girl to do? This girl (left) is ready. And she doesn't need a suitcase full of accessories to get her from office to date. With minutes to go, she strips off her old make-up (center) and applies fresh. Here, she's highlighting eyelids and lashes with

petroleum jelly. It won't run, smear or rub off. Off comes the jacket of her Empire silk surah dress (right) and she's ready for the evening. She'll add fresh white gloves from a box in her desk but, otherwise, she's in no need of dramatic, time-consuming tricks. She uses much the same technique for dates in advance. And she never wears a date dress to the office.

BY ALICIA HART, NEA Beauty Editor

A five o'clock date presents a dilemma for the working gal, whether it's last minute or planned in advance. After hectic hours at the typewriter, she's expected to look like a carbon copy of a cover girl.

Still, the miss with ingenuity can accomplish the transformation with little difficulty. On the day of the big date, she will wear a dress and jacket, ensemble to the office. The jacket will permit her to look trim and

smart at work. When it's removed, she will be suitably décolleté for evening.

If sparking costume jewelry will complete her costume for a night on the town, she can carry it to the office in her handbag.

Make-up for an after-work date is no problem for the well-groomed office girl. No morning beauty routine will last all day, so she keeps an office beauty kit, knowing it's important to look her best, not only for evening

events, but at work, too.

If you don't keep beauty preparations in the office, you should in a box tucked into the corner of a desk drawer, place make-up remover pads, face cream, soap, brush, comb, a duplicate set of the make-up you use at home, a flacon of perfume, and an emery board and nail polish.

You might add a jar of petroleum jelly for eye beauty. A quick way to make your eyes

seem to sparkle and your lashes look longer and darker, is to use it on your lids, lashes and brows. It requires only seconds to apply, and your "glamour" won't run or rub off.

It's important, too, for that special date, that your hands look soft and lovely. So during the cold months, when they're apt to chap, it's a good idea to put a stick of camphor ice in your purse. It won't be bulky or heavy to carry, and it can't

break or spill. It isn't messy, to apply and will leave your hands smooth to touch.

In your desk, along with your beauty kit, keep a plastic bag containing an extra pair of stockings and a clean pair of gloves. Then you're set for any emergency.

If your date is not a planned one, you won't be expected to trip out of the office dressed to the teeth. But your beauty box will help send you off looking mighty pert and pretty.

Engagement Announced

At a family luncheon on Wednesday, Mr. and Mrs. John D. Hamilton, Jamestown, N. Y., announced the engagement of their daughter, Hope Ellinwood Hamilton, to Robert Parke Pettigrew, son of Mr. and Mrs. Marion E. Pettigrew of Batavia, N. Y., formerly of Warren.

Miss Hamilton is an alumnae of Abbot Academy, Andover, Mass., and is a member of the Class of 1961 at Wheaton College, Norton, Mass.

Mr. Pettigrew is a graduate of Attleboro, Mass., High School, and of Colby College, Maine, Class of 1957, where he was a member of Delta Upsilon Fraternity. Upon graduation, he joined the United States Air Force and studied Chinese at the Institute of Far Eastern Languages, Yale University. He is now home for the holidays, on leave from the Security Service in Washington, D. C., and leaves in January for Okinawa.

SOCIETY

Is Methodist Speaker

The Rev. Dallas L. Browning will be guest preacher at the 11:00 a. m. Sunday service in First Methodist church, his topic "Our World-Wide Witness." Dr. Dallas is the director of the advance department of the Division of World Missions, for the Methodist Board of Missions, with headquarters in New York.

As "Advance" director, Dr. Browning supervises the promotion of "Advance Specials," which are voluntary gifts made by individual Methodist churches to missionaries or mission projects of their own choosing. About four million dollars in such gifts are received annually. About 800 missionaries of the Division of World Missions have full or partial support through this means.

Dr. Browning is a native of Rutland, O., and graduate of Ohio University and Garrett Biblical Institute. He has served a number of Methodist churches as pastor in Ohio and was pastor of North Methodist church in Indianapolis. He served later as superintendent of the Evansville District.

Dr. Browning is a former president of the Church Federation of Columbus and vice president of the Church Federation of Indianapolis. He is a member of the Scottish Rite Masonic order and a former member of the Kiwanis and Rotary Clubs. He is married and has three children. A son, the Rev. Scott Browning, was graduated from Garrett Biblical Institute in 1955.

In March, April and May of 1957, Dr. and Mrs. Browning visited Methodist missions in Pakistan, India, Burma, Malaya, Saravak, the Philippines, Hong Kong, Formosa, Okinawa, Korea and Japan and were in contact with 250 missionaries of the Methodist Church. He took several hundred photographs of the work of the Church overseas, some of which he will share with the Senior MYF at 6:30 p. m. Sunday in Dunham Parlors.

Other services for the day will be the church school classes at 10:00 a. m., and the Intermediate Youth Fellowship at 6:30 p. m. This latter group will meet in the Everts Room for the program, "Science and Religion."

Holiday Session of Garland PTA Members

GARLAND — Mrs. Mearl Howell, president of the PTA, led the 24 members present for the regular meeting in the salute to the flag; Ethel Morris read the Christmas Story from the Bible and led the group in prayer.

Routine reports were heard, with membership chairman reporting their campaign near completion. Room award contest was declared a tie, with each room receiving a prize. Lunch committee appointed for the January meeting included Mrs. Howard Eastman, Mrs. Loyal McAvoy, Mrs. Robert Smith, Mrs. John Zolko.

Miss Deming played a record, "Small One," about a boy and his donkey. Christmas gifts were exchanged, and a movie "The Christmas Spirit," was shown by Norman Taylor.

The committee, Mrs. Bernal Holmes, Mrs. Henry Stee, Mrs. Leofky, provided a delicious luncheon in the cafeteria, with tables festively decorated with greens and candles.

Other business included discussion on insurance to cover

Twelfth Night Festivities Set

Warren - Forest Council of Girl Scouts is completing details of arrangements for its traditional Twelfth Night ceremonies on Tuesday, January 6. Beginning at 6:00 o'clock in Jefferson School auditorium, the first hour of festivities will be a song and story period, with the King, Queen and Court selected by the usual cupcake tokens.

At 7:00, royalty will be crowned on the steps at the front entrance to the school building by Mrs. Ralph Van Ord, Council president.

The entire group will then proceed to Beatty Field for the burning of the greens, and all interested friends of the Scouts are cordially invited to view this portion of the evening's activities.

Residents of the community are asked to cooperate in the Twelfth Night plans by placing their trees and other holiday greens at the curb for collection and piling at the field.

Starbrick Services Honor Pastor Kehrl

Highlight of the 11:00 a. m. Sunday service in Starbrick Community church will be recognition of the 50th anniversary of entering full-time Christian work by the Rev. Frank A. Kehrl. Mr. Kehrl was commissioned as a missionary of the American Sunday School Union on January 1, 1909.

The Sunday school will meet at 10 o'clock, with the following officers in charge: Superintendent, Carl Roberts, Sr.; assistant superintendent, Mrs. Calvin Buerkle; secretary, Mrs. Harold Webster; assistants, Miss Ethel Kershaw and Mrs. Samuel Armstrong; treasurer and pianist, Mrs. Forrest Arnold; Cradle Roll superintendent, Mrs. Glen McMillen. Re-elected as a trustee is Mrs. G. R. McIntosh.

On Saturday, a meeting has been planned to honor the Rev. and Mrs. Frank Kehrl who are leaving for a three-months visit in California. This gathering will begin at six o'clock with a tureen dinner, followed by a special program.

All are cordially invited to these services.

WOMEN'S AUXILIARY
GARLAND — The Women's Auxiliary of the Presbyterian church was entertained at the home of Mrs. Wava Irwin for its Christmas meeting. Following a short business discussion, games were played and prizes awarded to Everett Wilder, Mrs. Granville Bailey, Mrs. Raymond Tripp, Janet Fisher, Mrs. Russell Smith and Mrs. Frank Briggs.

Christmas memories were exchanged and carols sung by the group of 16 ladies. Following a gift exchange, a Christmas luncheon was served by the hostess to conclude an enjoyable evening.

65TH ANNIVERSARY OF KINZUA COUPLE
Mr. and Mrs. Harry S. Joy, Kinzua, will be observing their 65th wedding anniversary at their home on January 3. The celebrants are living in the home where they first began housekeeping, returning to the homestead about 15 years ago, after spending some time in West Virginia, in Warren and Bradford.

Mr. and Mrs. Ralph F. Gay, 7 Cottage Place, wish to announce the engagement of their daughter, Mary Hughes, to Edward D. Robinson, son of Mr. and Mrs. W. W. Robinson, Jr., Westfield, N. J. Miss Hughes is a graduate of Warren High School and is a two-year secretarial student at Grove City College. Mr. Robinson is a senior in the chemistry department at Grove City. No date has been set for the wedding.

Mr. and Mrs. Burdette Gray, 609 Fourth avenue, wish to announce the engagement of their daughter, Nancy Karen, to Clarence Jay Stockton, son of Mr. and Mrs. Arthur Stockton, Warren RD 2. The bride-elect attends Warren High School; Mr. Stockton is employed by Paramount Furniture Company. A June wedding is being planned.

Marlow Looks At the News

(From Page Four)

compulsory arbitration which could force it to accept what it did not want. Management probably would oppose compulsory arbitration, too.

Congress itself turned down the idea of compulsory arbitration when it was passing the Taft-Hartley Act. So did one of the law's authors, the late Sen. Robert Taft of Ohio.

There are two major labor laws: the Railway Labor Act, covering railroads and airlines; and Taft-Hartley, covering most other interstate business and industry.

The Railway Act does not forbid a strike but has built-in machinery for delaying one while efforts are made to get a settlement. It's the same with Taft-Hartley.

Under T-H when the President thinks a walk-out might damage the national welfare, he can prevent a strike for 30 days. But under both acts, when all tries at a settlement fail, the strike can start.

At year's end no one seemed more pleased at the way labor and management got along in 1958 than Secretary of Labor Mitchell.

His department put out a statement this week which said in 1958 was one of the best years on record. The number of man-days lost through strike idleness was lower than any postwar year except 1957.

Mitchell praised what he called the "statesmanship" and maturity of labor and management for their record in collective bargaining in 1958.

A number of states have laws whose purpose is to prevent or forbid strikes in public utilities. But the constitutionality of these laws has been questionable ever since 1951.

That year the Supreme Court knocked down a Wisconsin law aimed at preventing a public utility strike. What the court said in effect was that the Taft-Hartley Act does not forbid such a strike; therefore, the Wisconsin law was in conflict with federal law and could not stand.

Every year since 1951 proposals have been made in Congress to ban strikes in public utilities. They got nowhere. They will be offered again this year and appear likely to face the same fate.

TV-MOVIES

By JAMES BACON

HOLLYWOOD (AP) — Cindy Robbins, a blonde destroyer, as the first young actress ever to be launched with champagne.

How that came about can best be told by a backstage look at the publicity buildup given a potential star.

Cindy, barely 21, has a bubbling personality. That alone should give a good publicity man a peg. But her first picture, "This Earth Is Mine," is laid in the vineyards of a great California wine making family. She was a natural for a champagne buildup. Now she is known as "the champagne blonde."

Bud Westmore, Universal-International make-up chief, might have shampooed her hair with any of the standard preparations. But the publicity department decreed it should be champagne.

"Actually," says Westmore, "it does wonders for her hair and I can recommend it to anyone who can afford it."

Next the studio ordered her to appear in public wearing champagne colored dresses and driving a champagne colored convertible.

If she orders a cocktail at a cafe, it must be champagne.

Cindy, even without champagne, has all the attributes for stardom, including talent and years of experience. She's an offbeat character, somewhat reminiscent of Shirley Maclaine. Physically, she's an American Bardot.

Although this is her first picture—and her part is a key one with Jean Simmons and Rock Hudson—she has been preparing for it since she was 8.

Amy Mollison was the first woman aviator to fly across the Atlantic Ocean, east to west (July 23, 1933).

New Year's Day One Of The Slipperiest

Most treacherous walking and driving of many a freezing rain greeted those who ventured out New Year's Day.

Times Topics

Pleasant Township Volunteer Fire Department will elect officers for the new year in the fire hall Tuesday evening at 8 p. m.

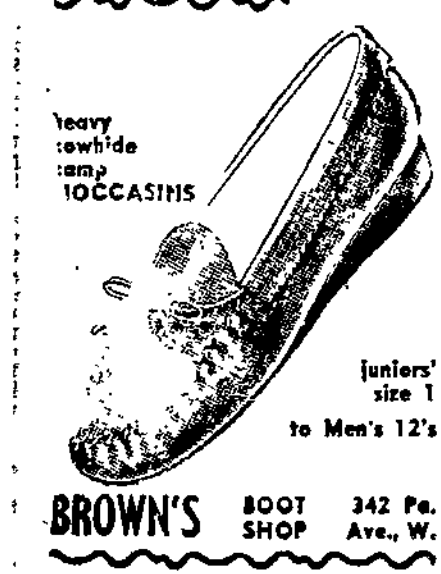

Struthers Wells Corporation in Titusville had a blackout for an hour and a half last evening. An insulator break at the company's Perry Forge electrical substation caused a fuse to blow out at Penelope's substation around 10:20.

Fire department emergency truck was called at 11:13 a. m. New Year's Day to the river by Riverside Hotel. Mrs. Sarah Andregg of 410 Water street, who had apparently toppled over the bank, was treated at the hospital for cuts and bruises.

been a long and hard one. He called Santiago "the strongest fortress of the revolution" and said its triumph was being crowned by making it the provisional capital for some 12 hours, until he and Urrutia go to Havana.

Former President Carlos Prío Socarras, an exile in Miami since Batista ousted him by military coup in 1952, arrived meanwhile in Havana. Prío has supported Castro's revolt from exile. He and all other revolutionary organizations recently agreed to accept Urrutia as provisional president.

The bearded guerrilla warrior has denied Batista's charges that he is a Communist or is Communist-influenced. Castro says his goal is to end corruption, establish democracy and help the small man among the 6,410,000 people of this Pennsylvania-sized island.

With the Havana International Airport closed and cruise ships avoiding the city, however, the U. S. Embassy announced a ship was on the way from Key West to take home stranded tourists.

designated as charge d'affaires the embassy's economic counselor, Dr. Emilio Pando. Ernesto Betancourt, registered representative of Castro that Fando be put in charge "until an ambassador can be chosen by the rebel government which will take over in Havana in a day or so."

Beancourt said the change of government would not bring nationalization of Cuban sugar plantations or utilities owned by outside interests.

Leader Is Happy (From Page One) without the expenditure of one dime in new taxes.

The largest program of school construction ever undertaken in Pennsylvania was carried forward. This means new school facilities for approximately one third of a million Pennsylvania students.

A special education program for mentally and physically handicapped children was made mandatory so that approximately 100,000 children with low IQs and physical handicaps now are assured a better start in life.

A humane, modern program of care for the mentally ill—based on cure, not custody—was instituted. This program is enabling many thousands of men, women and children to become productive citizens again, instead of wards of the state.

The most extensive road building program in the history of the Commonwealth was undertaken, including hundreds of miles of modern four-lane highways.

An improved highway safety program was developed, achieving a 8 per cent reduction in highway fatalities against a national reduction of 7 per cent.

A broadened system of state parks was developed which provides at least 12 new state parks and eventually will provide a state park within 25 miles of every Pennsylvanian.

MERCER FATALITY GREENVILLE, Pa. (AP)—The New Year was less than an hour old when the Mercer County fatal auto wreck was reported.

Stocks Start 1959 At Old Year Levels

NEW YORK (AP)—The stock market started 1959 where it left off in 1958—advancing around record high ground.

Slaughter In Traffic

(From Page One)

The Associated Press, for comparative purposes, made a survey during a non-holiday period and counted 341 traffic deaths, 106 killed in fires and 105 fatally injured in miscellaneous accidents.

In one of the worst New Year's Day accidents, six members of a La Porte, Ind., family were killed in the crash of a single engine plane in a farm field near Pontiac, Ill.

Ike Message

(From Page One)

He referred to the Russians' announced intention to make Berlin a free city — which would mean Western withdrawal from a key city that, in this country's view, would then inevitably come under Communist rule.

Eisenhower said the Russians' moves to take over Berlin "are not in accord with your expressed aspirations and hopes for peaceful coexistence."

resuming service was removed when Eastern and its pilots signed an agreement which assured the pilots their rights would not suffer from the new contract with the engineers.

28 Persons Dead in Fires and Explosions

By THE ASSOCIATED PRESS

At least 28 persons — 12 of them children — died in fires or explosions on New Year's Eve and the start of the holiday weekend.

At Rochester, N. Y., a quiet New Year's party in an apartment ended in a fire that killed six persons, including two 5-month-old infants and a 2-year old girl.

Fire officials said the blaze may have begun in a pile of newspapers stacked on a landing of the three-story brick and frame building.

At Vincennes, Ind., a fire of undetermined origin killed a mother and three daughters, aged 13, 10 and 2.

ENJURED BY POLICEMAN PITTSBURGH (AP)—James Linder, 18, of Pittsburgh, was reported in fair condition at St. Francis Hospital today with a bullet wound of the right leg inflicted by a policeman.

Large Number of Meetings During State Farm Show

HARRISBURG (AP)—The official program for the 1959 Farm Show here Jan. 12-16 lists more than 120 meetings, sales, judging contests and dinners.

The Farm Show Commission began distributing the programs today.

The show will open with greetings to farm show visitors from Gov. Leader. A message from the governor, printed in the program, said:

"For three centuries agriculture has been basic to progress and good living in Pennsylvania. It has always been our biggest business."

THE MARKETS NEW YORK (AP)—The stock market today began 1959 with a moderate rise. Early trading was fairly active.

Gains of most key stocks were fractional. There was a scattering of small losers.

Traffic Deaths Down

CHICAGO (AP)—Traffic deaths in the United States in 1958 were 1,500 fewer than in 1957, the National Safety Council estimates. It was the second consecutive year a decrease was reported.

The Council Thursday estimated last year's total traffic fatalities at 37,000.

Social Security Program Found To Be in Good Shape

WASHINGTON (AP)—A special advisory council has completed a year-long study of the nation's Social Security program and found it in good financial shape.

A new schedule of taxes voted by Congress last year "makes adequate provision for meeting both short-range and long-range costs," the 13-member group said in a report made public Thursday.

The tax on both employers and employees provides insurance benefits for elderly persons, survivors of workers and disabled employees.

Federal Jury To Decide Fate of Arms Runner PITTSBURGH (AP)—A Federal grand jury will consider charges against Daniel Hanna of Arnold in connection with an alleged airplane shipment of arms to rebels in Cuba.

Hanna, arrested by FBI agents Dec. 24, was given a hearing Wednesday in Pittsburgh. He was accused of driving a truck loaded with the arms to a waiting plane at the Tarentum, Pa., airport.

Stuart Sutor of Hialeah, Fla., is being held in default of bond in Fairmont, W. Va., on similar charges. He was arrested Nov. 4 after settling his plane down at an airport near Morgantown, W. Va.

Firm Down Under Wants To Advertise on Atlas

MELBOURNE, Australia (AP)—A Melbourne air conditioning and refrigeration firm has applied to use America's talking Atlas satellite to advertise its wares from outer space.

Soon after the Atlas orbited on Dec. 22, the firm cable-dialed authorities at Cape Canaveral: "Please quote rates for 30-word spot announcement to be broadcast to earth from Atlas satellite featuring our firm."

Bulletin

NEW YORK (AP)—World sugar futures dropped sharply today in heavy trading following the collapse of the Batista government in Cuba.

NEW YORK (AP)—The stock market today began the new year as it ended the old-moving into record high ground, trading early this afternoon was moderately active.

CHICAGO (AP)—Cuban consular records throughout the world were ordered seized today by the Castro government.

PITTSBURGH (AP)—Army engineers today asked for quick bids and fast action to build six concrete chambers which would house atomic warheads for the Nike Hercules guided missile sites in the Pittsburgh area.

Lab Technician First Victim of Radiation Burns

LOS ALAMOS, N. M. (AP)—A medical expert says a technician killed by radiation in a Los Alamos atomic laboratory died from damage to his central nervous system.

He also says it may have been the first death of that type outside of war.

Dr. Thomas Shipman, head of the health division of the Los Alamos Scientific Laboratory, says it was more than damage to the bone marrow blood-forming system that caused the death.

Cecil W. Kelley, 38, who had worked in the atomic laboratory about 11 years, died Thursday, 36 hours after the accident.

Weatherman Throws Blanket on Mummies PHILADELPHIA (AP)—Rain and sleet threw a wet blanket on the city's annual New Year's Day Mummies Parade, forcing 20 string bands to postpone participation in the event.

The famed Mummies put on a brilliant show for some 100,000 spectators. But they had to high-step with only one string band supplying a lift.

Former Pennsylvanians Dead in Plane Crash FORT LAUDERDALE, Fla. (AP)—A former Pennsylvanian was one of two men killed Wednesday in the crash of a light plane in the Atlantic Ocean.

He was Clair Barron, 28, of Miami, an instructor. Barron formerly resided in Somerset, Pa. Also killed in the crash was Ler. Jones, 24, of Miami.

Six Members of Indiana Family Dead in Crash

PONTIAC, Ill. (AP)—Six members of an Indiana family were killed in the crash of the single-engine plane in which they were returning from a California vacation. They were about 200 miles from their home in La Porte.

The plane plunged into a farm field about seven miles west of Pontiac. The victims were William O. Kellems, 34, a plastering contractor who was piloting the craft; his wife, Mary Louise, 28; and their four children, June Penn, 10; Sherry Ann, 8; William Jr., 7; and Gail, 5.

Bartender Has Tangle With Cash Register

LOUISVILLE, Ky. (AP)—Bartender Gene Bruce started to fix the cash register and got into a fix instead.

The cash drawer stuck. Bruce put his hand inside a door on the side of the register to open the drawer.

Some of the cogs grabbed his hand and held on—for three hours.

County police tried a cutting torch. When that got too hot for Bruce, they used a crowbar.

Bruce is all right, but the register is in bad shape.

The POWER of FAITH

"Ring out the old
Ring in the new
Ring out the false
Ring in the true."
—Tennyson

New Year's is a time for taking spiritual inventory, for looking back over the old year and assessing the good and the bad, for looking forward into the future with hope and faith and courage. The Romans had something like this in mind in their ancient god Janus, who represented the first hour of the day, the first day of the month and the first month of the year, and who was always first in prayer. Janus, from which we derive our word January, was always portrayed looking backward and forward. New Year's gives us a chance to profit by the past and rekindle our faith in the future. "So teach us to number our days that we may apply our hearts unto wisdom."—Psalms 90:12

Church Notes

AT FIRST EUB
At the 11:00 a. m. worship hour, Pastor Charles Kinney will preach on "Our Saviour in all things"—C. T. Prichard will play "The Name of Jesus" by Lorenz; the Adult Choir will sing the anthem, "A Song of Praise" by Basley; the Junior Choir numbers will be "The professional, 'Onward Christian Soldiers', and 'Stand Up For Jesus' by Duffield. Next week's events: Midweek service at 7:00 p. m., Wednesday, led by Francis Peterson, and Adult Choir rehearsal at 8:00. Thursday, 7:45, WWSW will meet in the Chapel, with Mrs. Lucy McCloskey in charge of the business session; Mrs. Ethel Kinney having the study hour, "Strengthen the Church Through Understanding"; Mrs. Evelyn Handhold, Mrs. Clara Putnam and Mrs. Beryl Rhoades entertaining. Junior Choir will rehearse at 10:00 a. m. Saturday.

EPISCOPAL MISSIONS
St. Francis, Youngsville—In the 10:30 a. m. Family Service of Morning Prayer, the sermon topic will be "Christ—The Same Yesterday, Today, Forever". Next week's calendar: Monday, 7:00 p. m., Evening Prayer, and 7:30, vestry meeting; Tuesday, 7:00 and 10:00 a. m., Holy Eucharist; Wednesday, 1:00 p. m., Altar Society of St. Clare in the parish hall; Thursday, 7:30 p. m., Altar Society, St. Luke's Kinzua—The vicar will use the same sermon topic as above in the 8:30 a. m. Holy Eucharist.

BETHLEHEM COVENANT
Church officers will be installed and the pastor will preach the sermon in the 11:00 a. m. worship service. Other services follow the usual schedule and the following events are listed for next week: Wednesday, 7:30, prayer fellowship; and 8:30, choir rehearsal; Thursday, 8:00, Lucha Society-CWA will be entertained by Mrs. Violet Seymour and Miss Evelyn Carlson. In observance of Universal Prayer Week, other prayer fellowship services will be announced Sunday.

TRINITY MEMORIAL
Sunday services include sermon at the 11:00 a. m. Choral Eucharist. Music at this service will include Noble's "Dost Thou in a Manger Lie?", sung by the Senior Choir; organ music, "How Beautiful the Morning Star" by Armsdorff and "Agnus Dei" by Couperin.

JEHOVAH'S WITNESSES
There will be no meetings this Sunday in Kingdom Hall, because of the Assembly being held at Mercer. All are invited to attend the meetings in that city.

LANDER METHODIST
A Holy Communion service will be held at 11:30 a. m., the pastor preaching on the topic "Strengthen Your Brethren". MYF will meet at 7:30 p. m. Next week: Monday, 1:00, Extension Group will meet in the fire hall; 8:00, official board will meet at the parsonage. Wednesday, 8:00, WSCS will meet in the parish house. Thursday, 8:00, Senior Choir rehearsal.

Louisiana State and Iowa Tops for Football Honors

Hawkeyes Manage to Score In Every Period to Down California by 38-12 Score

By JACK CLARY

Associated Press Sports Writer

Louisiana State the national football champion probably will get a strong argument over the honor from second place Iowa today in the wake of the Sugar and Rose Bowl games.

Both teams were heavily favored—LSU by 15 points over Clemson in the Sugar Bowl and Iowa by 18 over California in the Rose Bowl. Only Iowa proved the oddsmakers correct.

The Hawkeyes scored in every period to overwhelm California, the Pacific Coast Conference king. 38-12. LSU had to call on Coach Paul Dietzel to call the play that defeated Clemson 7-0.

Oklahoma did as expected and defeated Syracuse 21-6 in the Orange Bowl. Air Force pulled a mild upset in playing Southwest Conference champion Texas Christian to a 0-0 tie in a battle of fumbles and mistakes in the Cotton Bowl. Prairie View A&M wall-popped Langston 34-8 in the Prairie View Bowl.

Iowa was runnerup to the Bayou Bengals in the final Associated Press poll that settled the national championship. But the Big Ten champs were not expected to have as easy a time as they did against an outmanned Cal team.

On the other hand, LSU, with its White, Go and Chinese Bandits three-team varsity specialists, was expected to have some trouble from a hefty Clemson line, but by sheer weight of numbers, were supposed to have things their way in the end.

The Clemson line didn't weaken. A broken right hand by LSU quarterback Warren Rabb on the third play of the game put him out for the second half. These two factors weighed heavily in forcing Dietzel to revamp his offensive plans—and hope.

The wisp of hope came in the third period when Clemson center Paul Snyder got a firmer grip on some turf than on the ball on a snap-back to punter Bill Mathis. The ball sailed wildly and bounced off the knee of blocker Doug Cline. It was recovered by LSU tackle Duane Leopard on the Clemson 11.

Two plays gained only one yard and on third down All America

pass play for the second TD—a new Orange Bowl record for distance, and Hobby took a punt 40 yards for the third score.

Mike Weber's 15-yard plunge in the final quarter got Syracuse, which won the battle of statistics, its TD.

There were 13 fumbles by Texas Christian and Air Force, each team losing three. TCU pushed deep into Air Force territory twice in the final minutes, but fumbles lost both opportunities. Air Force had two similar chances in the first half, and one in the second but couldn't cash in.

The Air Force's George Pupich missed three field goal tries and TCU's Jack Spikes two. Spikes was the game's leading back with 108 yards on 17 carries.

Prairie View scored four second half touchdowns to overcome an 8-6 halftime deficit. Halfback Archie Seals and fullback Jimmy Tolstoun paced the winners.

The four major games were on national television and a total live audience of 331,082 sat in on 1958's first taste of college football. The largest turnout was 98,297 at the Rose, followed by the 82,000 at the Sugar, 75,504 at the Cotton and 75,281 at the Orange.

South Favored To Win By T.D. at Mobile Saturday

MOBILE, Ala. (AP)—A proven scoring combination helped establish the South as a touchdown favorite in Saturday's Senior Bowl football game.

In giving Coach Paul Brown's squad the edge, the odds-makers remembered last weekend's North-South Shrine Bowl game at Miami when Buddy Humphrey of Baylor threw three scoring passes to Mississippi State's Billy Stacy.

Humphrey also tossed two other touchdown aeriels in the South's 49-20 victory in that game. He was the nation's top collegiate passer this season with 1,216 yards on 112 completions in 155 attempts.

Humphrey and Stacy will be in Brown's offensive backfield Saturday and it'll be a big surprise if they don't try to make plenty of yardage through the air.

The other South backs are Georgia's 200-pound fullback plunger, Theron Sapp, and another husky runner, 195-pound Don Brown of Houston.

Joe Kuharich's North squad is not lacking in passers or runners either.

He plans to start Boston College's Don Allard at quarterback. Allard, first round draft choice of the Washington Redskins, threw for seven touchdowns during the season. He passed for 691 yards.

To spell him is the No. 1 quarterback of 1957, Lee Grosscup of Utah. Grosscup, first draft choice of the New York Giants, led the nation in passing yardage a year ago with 1,398.

Other backs in the North offensive backfield will be Joe Morrison, Cincinnati, Alan Miller, a Boston College teammate of Allard and Norm Odyne, Notre Dame.

About 38,000 are expected for the game, which will be nationally televised by NBC with a black-out within a 100-mile radius of Mobile.

Kickoff is at 2 p.m. (CST).

CHALLENGERS—Where the Davis Cup was to be for next year depended upon the success or failure of three Americans—Barry McKay, Alex Olmedo and Ham Richardson. U. S. Netmen Hit Low

(This is last of eight stories reviewing sports in 1958)

By ED CORRIGAN

No doubt about it, U. S. Tennis was in bad shape in 1958.

Ashley Cooper, tall Australian, won both Wimbledon and U. S. championships. And for the first time in the 77-year history of the event, an American failed to reach semi-finals of U. S. championships in Forest Hills.

When it was all over, Cooper had whipped his Davis Cup teammate, Mal Anderson, 6-2, 3-6, 4-6, 10-8, 8-6 in the final.

But a new day is dawning. Signs are unmistakable. U. S. junior crop is beginning to click, and Barry McKay, just a year out of college, is coming into his own.

But it is Earl Buchholz and Chris Crawford, a couple of teenagers, who are making U. S. tennis brass crow.

Crawford, completely unheralded, made a fine showing in the Nationals before bowing to slick Herbie Flam. A big blond from Piedmont, Calif., Crawford whipped McKay, Bob Mark of Australia and Gardnar Mulloy before he was eliminated.

Buchholz, a tall, skinny lad from St. Louis startled one and all by advancing to the final of New South Wales championships—one of the big ones pre-

ceding the Davis Cup—only to bow to Cooper in the final.

Cooper called him the best teen-age player in the world.

Another happy surprise was the performance of Alex Olmedo, National Intercollegiate champion from Southern California by way of Peru. Olmedo teamed with Ham Richardson to win national doubles and was tapped for Davis Cup team.

He dropped a long quarter-final match to Aussie Neale Fraser in Hills.

Pro Golfers Tee Off in \$35,000 Los Angeles Open

LOS ANGELES (AP)—Professional golfers start another California gold rush today as they tee off in the first round of the \$35,000 Los Angeles Open.

In five tournaments in California and at adjacent Tijuana, Mex., in the next month a total of \$145,000 prize money will be up for grabs.

The 72-hole Los Angeles event has attracted a field of 150 studded with top names of golf.

It is being played over the 7,120-yard, par 71, Rancho Municipal Course.

First place to be decided Monday, will be worth \$5,300.

Frank Stranahan, the millionaire from Toledo, Ohio, won the 1958 event.

But he isn't rated the favorite to repeat.

Rated at the top are Ken Venturi of San Francisco who has won approximately \$100,000 in a little more than two years on the tourney trail; Dow Finsterwald of Tequesta, Fla., who won four tournaments last year; Jay Hebert, New Orleans; Billy Casper, Chula Vista, Calif.; Arnold Palmer, Labrobe Pa., and Tommy Bolt, Houston, Tex.

Rangers Are the Hottest Team in National League

By THE ASSOCIATED PRESS

Asking the New York Rangers to catch the Montreal Canadiens or even make a race for the National Hockey League title perhaps is too much. But the Rangers are the hottest team in the circuit today.

With a 5-2 decision over the Boston Bruins Thursday night the Rangers chalked up their third straight victory and their fifth in their last 6 games. And for their last 8 games, the New Yorkers show 5 victories, 2 ties and 1 defeat.

Thursday night's triumph, their second in as many nights over the Bruins boosted the Rangers into undisputed possession of second place. At the same time the Chicago Black Hawks led the Canadiens 2-2 and moved into a tie with Detroit for third place.

The Canadiens who have failed to win in their last 3 starts, held a 2-1 lead going into the final period. But Don Murphy clicked at 4:09 to deadlock the count.

No Middle Ground for Syracuse Nationals

By THE ASSOCIATED PRESS

There's no middle ground for the Syracuse Nationals in the National Basketball Assn. They're either mighty good or terrible.

In the league's only game Thursday night the Nats dropped their seventh straight game as rookie Elgin Baylor tapped in a goal for the Lakers with 20 seconds remaining for a 106-95 Minneapolis victory. Before starting their losing string the Nationals had won seven in-a-row and before that they had lost eight straight.

The defeat placed the Nats only a half-game ahead of Philadelphia's cellar-dwelling Warriors in the Eastern Division.

Kentucky Bows Six Times But Winds Up a Winner

By TED MEIER

University of Kentucky and St. Louis Hawks donned Cinderella robes and won major honors during the 1958 basketball season.

Coach Adolph Rupp's Kentucky lads, given only an outside chance, won National Collegiate (NCAA) championship. Hawks also an underdog, won professional National Basketball Assn title.

Kentucky added to Rupp's

game for Southeastern Conference title.

After a first round NCAA bye they thumped Miami of Ohio, 94-70. Next they trampled Notre Dame, 89-56, then battled from behind to overcome Temple 61-60. Their 84-72 victory over Seattle in the final was an anti-climax after the torrid Temple scrap. Vern Hatton and Johnny Cox were key figures for Kentucky in the Wildcat march to the top.

South Dakota and Xavier of Ohio also surprised in post-season tournaments. South Dakota won NCAA small college championship by beating Wheaton defending champion, 64-60 in semifinals, and St. Michaels (Vt) 75-53 in the final. Xavier won New York Invitational by beating Dayton 78-74 in an overtime final.

Wilt Chamberlain of Kansas, Oscar Robertson of Cincinnati, Elgin Baylor of Seattle, Guy Rodgers of Temple and Don Hennon of Pitt were chosen All-America by Associated Press.

AP small college or little All-America was composed of Jim Daniels of South Dakota, Dick Bantlett of Tennessee State, Jim Smith of Steubenville, Bennie Swain of Texas Southern and Mel Peterson of Wheaton.

prestige by winning the title for an unprecedented fourth time. Beaten in six regular season games bluegrass boys squeezed into NCAA tourney by beating out Auburn by one

From a domestic angle the situation seems to be that we don't have the appetite to eat what we produce.

From an international angle the problem seems partly to be that the food we do produce doesn't please the appetites—and they express their discontent by having more and more children.

Both the world and the poor countries are having the same problem: No matter what they eat, or don't eat, they produce more children.

The globe is being inundated by a tidal wave of posterity. It is as if people, everywhere, confused by the responsibility of the moment, pass on through their genes the payment of tomorrow.

It is, economically speaking, as if a generation that created inflation in its time also inflated its posterity to water down the individual bill who can win in the race to see who has the weakest money and the most poor mouths?

Scientists, like a pack of hounds, bell-longue in cry after the elusive fox, truth.

They will catch him, too. But not today—tomorrow.

Meanwhile ordinary people pay the price of ordinary living, chase a smaller fox stun one another with personal wonder, and live by a personal star they discovered together, the one big star in the sky no lovers ever shared before.

The atomic cloud darkens. The statesmen and diplomats and politicians argue. They frighten each other. They spend more money to build more bombs. The value of the currency is inflated. People brood over their bills and brooding leads to—well, doesn't it?

Nobody is afraid of yesterday nobody is afraid of tomorrow Who will shoulder today?

CALCIUM NEEDED

One per cent of the body's calcium is in body fluids such as the blood. Without this calcium, muscles cannot contract and relax and nerves cannot carry their messages.

The smallest multi-stop delivery truck produced by an American manufacturer is this new International Metro-Mite, now being displayed at Simones & Cook Biddle St. Ext. Only 13 feet in overall length, the Metro-Mite has a surprising capacity in its all-steel body of 200 cubic feet. Designed to meet needs of multi-stop truck users who haul light, bulky loads, this little unit has a new four-cylinder, 51 horsepower engine that gives remarkable operating economy. It features unitized construction that eliminates separate frames for chassis and body. Kegler Lubanski Needs Sleep More Than Money

BY HARRY GRAYSON
NEA Sports Editor

NEW YORK (NEA)—Professional bowlers are the athletes of the night, a new collection of sports personalities. They make their living by neon and with cigarettes and black coffee and a couple of drinks all done at a time when most people start sleeping.

They also work, it was suggested to Eddie Lubanski, on the same shift with second-story men. And the way bowling's financial rewards have progressed of late even the better boosters don't have a take-home to match a high roller on allays.

Lubanski, a stocky, 29-year-old Detroit who won the World's Invitational Match Game championship in Detroit, rubbed a pair of reddened eyes.

"Since I won that tournament I've been so busy making money I haven't had a night's sleep," he said.

"FOUR YEARS AGO, I needed a job as a case checker in a beer plant to feed my wife and kids. You couldn't make enough out of bowling. Now I got to go into the people sponsoring me and tell them I don't care if they take a couple of thousand off my contract. I got to have some time with my family."

"The match game title was worth \$5,000 on the spot. And I work for American Machine and Foundry as a promotion man. I mean more to them now. The same with Pfeiffer's in Detroit. I explain their team."

"I roll three nights a week in Detroit for Pfeiffer's. I'm on the road every week-end. My bosses can book me for enough exhibitions to fill every spare day I'll have during the next year. But I'm going to have to tell them I won't go for it. I want a home, not a Pullman berth."

LUBANSKI IS A RINGER for Eddie Lopat, the old Yankee south-paw. For a time it seemed he was going to be in baseball—or, rather, on the fringe of it. He was a St. Louis Brown farm hand.

A right-hander who won 50 games and lost 18 from 1947 through '49, Lubanski had to give it up when his appetite and the rent collector joined to make a mockery of a \$250 a month pay check from Wassau of the Wisconsin State League.

He returned to his Detroit home and went into bowling.

"You have to have a job then," he says. "I think the first television show was worth \$65 to the winner. In '50, Sarge Easter said he'd like me to be his partner in the ABC doubles in Louisville. Easter was a big name in bowling and he was 67."

"I HAD TO ASK MY WIFE if we could go for it. She was making a little money go a long way and had to say yes before I'd cut in any more. I got the money—to the dollar and not much more—and went to Louisville and Easter and I win it. I was 21. It was great."

Lubanski now lives in Oak Park, Mich. He gets up in time to practice at 10 each morning, then goes home and grabs a nap when his four kids do. At night he goes out to win the pot either in a television match or with Pfeiffer's, an all-professional company team.

A bowler used to be a guy who rolled for a tray of beer with his office accounting team against, say, the leading platform boys. But now something like 50 million people saw Eddie Lubanski win a bundle on TV in turning back Don Carter for the match game title, and his big worry is finding enough time to see his wife and children.

Silky Sullivan, whose slow starts and fast finishes caught the fancy of the racing fans last year before he disappointed in the Kentucky Derby and Preakness, lost a little more of his luster Thursday at Santa Anita.

Showing nothing, Silky finished sixth in a seven-horse field in a 6½ furlong race Under Willie Shoemaker, the nation's leading jockey last year. Silky was last at the start, last at the quarter and half-mile poles, fifth in the stretch and was beaten five lengths by the winner, Caronot, who paid \$11 20.

"He obviously needed the race," was trainer Reggie Connell's explanation of Silky's disappointing showing in the role of the odds-on-favorite.

Stevens Promoted To Head Coach at Brigham Young

By JERRY MARTIN

PROVO, Utah. (AP)—Brigham Young University promoted Tally Stevens from senior assistant to head football coach New Year's Day.

Stevens, 35, helped former coach Hal Kopp guide BYU to its highest Skyline Conference standing in its history.

President Ernest L. Wilkinson announced Stevens' appointment Thursday night. The salary terms or length of the contract were not disclosed, but Stevens said:

"I'm very happy with my contract."

Stevens said the major difference between his brand of football and Kopp's style is in variety. He plans to substitute a multiple offense for Kopp's wing-T.

He inherits a talented squad which he helped Kopp recruit. Only 10 seniors will be lost by graduation from the Cougar team which battled Wyoming in the final game for the conference title. BYU had been picked to win the championship, but wound up third.

Stevens is a native of Evanston, Wyo., and was a star end for the University of Utah in 1946-47-48. He graduated in 1949.

Warren Bowlers Striking At New Pins

A new twist of the bowling ball will be executed in Warren January 4 through 18.

Members of tenpin bowling leagues in Warren County will have an opportunity of rolling a strike against polio, arthritis and birth defects and at the same time compete for valuable prizes in first annual Western Pennsylvania March of Dimes Bowling Tournament.

Mrs. Helene Isenman, campaign chairman for March of Dimes in Warren County, made the announcement. Norman Wooster will head the local tournament.

Funds derived from tournament entry fees will help finance the enlarged health program of National Foundation, formerly National Foundation for Infantile Paralysis, which now includes arthritis and birth defects as well as polio.

All members in leagues throughout Western Pennsylvania are eligible to compete upon payment of a one dollar entry fee. The tournament will be conducted on a handicap basis in four divisions—A, B, C, and D.

Competing in Division A will be bowlers having an average of 180 and up. Division B is for bowlers with a 160 through 179 average; C entrants will be those with a 145 through 159; and Division D will include bowlers whose average is 145 or under. Averages will be determined by the latest posted scores in league competition.

Winners in each of these divisions will receive a transistor radio and will be eligible to compete in the grand roll-off Feb. 1 in Meadville. Roll-off winner will receive an automobile as the grand prize.

"Proceeds go for a wonderful cause—March of Dimes—which made possible the famous Salk Polio vaccine and is now fighting for a victory over arthritis and birth defects," Mrs. Isenman said today, and urged all league bowlers to enter the tournament.

Moyer Scheduled For First Big TV Fight in New York

By JACK HAND
Associated Press Sports Writer

NEW YORK (AP)—Fight fans start the New Year with a look at something brand new in Denny Moyer, a 19-year-old welterweight from Portland, Ore. who has won all of his 18 pro fights.

Young Moyer, of French-Irish parentage, appears before a network (NBC) television camera for the first time tonight when he boxes sad-faced Gaspar Ortega of Mexico, Mexico in Madison Square Garden. The 10-round match also will be carried on NBC radio, starting at 10 p.m., (EST).

It may be that Moyer, a former AAU champ, will open and close in one. On the other hand, it may be the first of many appearances in the big arenas.

Boxing certainly needs new faces badly. It can't afford to wait. However, the expert opinion that has made Ortega an 8 to 5 favorite thinks the youngster is being rushed when he is pitted against an experienced opponent who has had 62 pro fights.

Moyer has a brother, Phil, who is campaigning as a middleweight. His father, Harry, also was a pro fighter and an uncle, Tommy, is the promoter in Portland where the boys have had most of their fights.

Under New York rules a 19-year-old isn't permitted to box 10 rounds unless special permission is granted. The special permission was forthcoming for Denny, who has fought six 10-rounders in other arenas. The better-known boxers he has beaten while compiling his 18-0 record (four knockouts) have been Al Andrews, Johnny Saxton and Tony Dupas. He outpointed all three.

Woman Dies in Blaze In Somerset County

SOMERSET, Pa. (AP)—Miss Magdalene Carey, 35, died in a fire which gutted her two-story frame home in Somerset shortly before midnight Sunday. Three firemen were injured when a ladder collapsed.

Coroner Robert H. Halverson said Miss Carey died of asphyxiation in a second floor bedroom. Miss Carey lived with a sister who was away at the time.

Fire Chief Newton E. Picking said the fire broke out of undetermined cause on the second floor. He said the house was almost a total loss, but he did not estimate the damage.

One of the three firemen hurt in the fall, Lester Mellott, 31, was admitted to Somerset Hospital with a leg injury. The other two were released after treatment.

Quaker State Oil Company Meets New Crude Hikes

Bradford Era: The cycle of crude price advances which began on Dec. 22 was virtually completed Thursday night when Quaker State Oil Refining Corp. announced at Oil City that it would meet most of the new postings.

The company announcement said that 15-cent increases would be retroactive to 7:01 a. m. on that date for all but Buckeye Grade.

The Joseph Seep Purchasing Agency of the South Penn Oil Co. made the first upward advance in the crude market in almost two years on that morning. The new prices as announced by Quaker State are:

Bradford District, \$4.05; Allegheny Field, \$3.97; Middle District, \$3.87; and Eureka, \$3.40.

By its action, Quaker State maintained the eight-cent a barrel differential that has prevailed between Bradford and Allegheny fields. This margin was established on Nov. 3 after Quaker State announced it was cutting Allegheny grade by that amount to equalize gathering and delivery costs in that field. Quaker State had taken over the former Sinclair Refining Co. gathering system a few days previously.

Joining Quaker State in retaining the \$3.25 posting for Buckeye grade was Freedom-Valvoline Oil Co. of Freedom. In that order, these are the two heaviest buyers of that grade.

However, in an unprecedented action, on Dec. 23, the Franklin Creek Refinery at Franklin raised Buckeye 15 cents. Subsequently Waverly Oil Works at Pittsburgh met the same price.

The absence of action by Quaker State and Freedom-Valvoline increasing Buckeye posting creates a split price structure for this grade.

Fanny Crosby, blind hymn writer, wrote some 6,000 songs and hymns, most popular of her hymns being "Safe in the Arms of Jesus."

Area C. of C. to Honor Student of North Area School

Monday afternoon in the Warren Area Chamber of Commerce offices a presentation of award will be made to a young area farm student who has won the Keystone Farmer Degree of the Future Farmers of America.

This annual ceremony will honor Dale Penley, a student at Northern Area High School, who has received the highest award possible on the state level for outstanding achievement in farm and rural life.

The Chamber of Commerce agriculture committee headed by Carl Peterson will present the youth a check for \$25,000 in recognition of his achievement with the thought that this money will help pay his expenses to the state Farm Show in Harrisburg.

Penley is the 27th area farm student to be recognized by the Chamber of Commerce which started the program in 1947. The young man's agriculture teacher is Joseph Soper.

Members of the Chamber committee are Mr. Peterson, Dr. David Rice, William Cannon, George Frantz, Clare Hanson, Grover Lind and Charles Sellin.

A.P. Death Record

LOS ANGELES (AP)—Jack Swimmer, 58, famed for his sealed predictions of the outcome of presidential elections, football games and other events, died Wednesday of a heart attack. He owned the National Titanium Co., a paint manufacturing firm.

CHICAGO (AP)—John Adams Marzall, 62, commissioner of patients in the U.S. Patent Office in Washington from 1949 to 1953, died Thursday of a heart ailment.

ST. PETERSBURG, Fla. (AP)—R. J. Foster Sr., 82, credited with inventing corn flakes process for breakfast cereals, died Thursday. He moved to St. Petersburg from Battle Creek, Mich., in 1921.

RADIO and TV

By CHARLES MERCER

NEW YORK (AP)—Here are some of the programs which the three major networks recommend as their best of the coming week.

SATURDAY

On ABC, 1958 PGA champ Dow Finsterwald meets Walter Burkemo shooting for his third straight victory on All Star Golf from St. Augustine, Fla.

The Perry Como Show on NBC presents Eddie Foy Jr., Louis Jourdan, Peggy King, the Teddy Bears, Harold Arlen.

On NBC comes the premiere of The D.A.'s Man, a new weekly series about the adventures of a private eye who works with the New York district attorney's office.

SUNDAY

The Catholic Hour on NBC offers the first in a three-part series on "Freedom and the American Catholic."

Minneapolis clashes with Philadelphia in pro basketball on NBC. CBS newsmen give a roundup of "The Big News of '58."

NBC correspondent Cecil Brown reports on a recent tour around the rim of Red China with "South-east Asia: Target for Communism."

CBS News assesses "Where We Stand" in relation to the Soviet Union in a second annual report. "The Great Leap Forward" on NBC is American John Strohm's report on life inside Red China as he filmed and observed it.

MONDAY

Play Your Hunch, a new TV game program, makes its debut on ABC. Contestants do such things as try to guess which of three pretty girls is the sister of a celebrity.

Goodyear Theater on NBC presents a drama about a goldbrick-ing war correspondent in "Coogan's Reward."

TUESDAY

Jack Paar's guests on his NBC show will be Dorothy Sarnoff, the Rev. Billy Graham, Genevieve and Cliff Arquette.

WEDNESDAY

On CBS, Jackie Gleason will be host to a special hour jazz show starring Louis Armstrong and his all-stars, Duke Ellington and his orchestra, George Shearing and Quintet, Dizzy Gillespie, Gene Krupa and Dakota Staton.

Tallahah Bankhead will be the guest of Milton Berle on Kraft Music Hall over NBC.

THURSDAY

"The Real McCoys" visit Hollywood for an inside glimpse of movie making on ABC.

FRIDAY

On CBS, a new hour-long weekly Western called Rawhide makes its debut as replacement for the Jackie Gleason show, which has left the home screen three months before its contract ends.

PRISCILLA'S POP

By AL VERMEER

Yes, Priscilla still hopes to get a horse for Christmas!

Personally, I'm against it! One pet in a family is enough!

Odd creature, the horse!

They say no other animal has so many bones!

Hmm! That throws a different light on the matter!

EVERYTHING'S READY! NOW LET'S HUSTLE TO BED!

WHERE'LL I PUT THIS CAKE AND MILK?

JUST SET IT DOWN, DEAR! I'LL GET IT IN A MOMENT!

NO, NO, POP! THIS IS FOR SANTA CLAUS!

I'D BETTER TURN OFF THE LIGHTS ON THE CHRISTMAS TREE!

I WORRY ABOUT 'EM GETTING HOT!

YIPES!

GOOD HEAVENS! WHAT'S WRONG?!

I JUST HAPPENED TO REMEMBER

WHEN I WAS A KID OUR TREE HAD LIGHTED CANDLES!

HAS IT BEEN A MERRY CHRISTMAS, PRISCILLA?

OH, BOY! IT SURE HAS!

THEN ISN'T THERE SOMETHING YOU'D LIKE TO SAY?

COME NOW! WHAT DOES A LITTLE GIRL SAY AFTER A WONDERFUL CHRISTMAS?

LET'S DO IT AGAIN TOMORROW!
